Blended Learning for English Language Learners
Course Overview and Schedule

This course introduces participants to essential and foundational information about blended learning. It includes key definitions, strategies, examples, and reflective activities presented in a multimedia format. The goal of the course is for teachers to have a basic understanding of the different forms of blended learning and how they might integrate them into their coursework for English Language Learners.

Format: Scheduled, facilitated
Estimated Completion Time: 2-3 hours per week (12 hours total)
Contact: literacy@worlded.org

Course Objectives
By the end of course, you will be able to:
- Describe what blended learning is and what it looks like in ELL classes.
- Draft a lesson for use with their students.
